Dear Families,

We hope you enjoyed your spring break with family and friends. We only have 8 more weeks of school left with lots of important work to still complete. Please help us best support your children by having good attendance.

The online portion of ISTEP+ will take place April 16-May 4th for our grade 3 & 4 students. Grade 3 will test the week of April 16th and grade 4 will test the week of April 23rd. Please help your child be best prepared by making sure they get plenty of sleep and by arriving to school on time. We are so proud of the growth students have made this school year and know they will do a great job demonstrating their knowledge. Thank you for your continued support and have a great weekend!
